WHY AWSUMMIT IS THE RIGHT EVENT FOR YOU

From its humble beginnings as a niche event in Mamaia, AWSummit - Europe's leading Multi-Vertical event - has skyrocketed over the years to become the undisputed market leader and trendsetter in both the Romanian and European markets. Looking ahead to September 2025 in Bucharest, we are gearing up to welcome over 3,000 attendees from more than 90 countries for our 14th edition, solidifying AWSummit as the must-attend event for industry professionals worldwide.

At AWSummit, you will meet with strangers, become partners and leave as friends. The industry's top CEOs and decision-makers seeking traffic sources, content creators, media teams, agencies, networks, advertisers, payment solutions, and leading brands — are getting together in Bucharest, all working across verticals like:

SPEED NETWORKING FOR ADULT

Speed Networking is a dynamic networking concept where participants sit face-to-face along a long table, briefly introducing themselves and sharing what they do within the industry before rotating to meet the next participant. Designed for everyone working in the adult industry including: platforms, models, traffic sources, agencies, and studios –this fast-paced format encourages meaningful connections and efficient networking in a short amount of time. This format allows the sponsor company to connect quickly and directly with its target audience, increase brand exposure during the activity, and receive the contact list of registered participants following the event.
